

**DONNA GOODALE  
And  
THE ECUMENICAL MISSIONARIES**

The Father General of The Ecumenical Missionaries, Father Luigi, met Donna Goodale at an Anti-Bias Task Force meeting in Southampton. Father was new to the area and knew no one at all at this meeting.

What he remembers most about that day was Donna's open mindedness and kind words because, he did not come dressed in a suit and tie as the Other men. He arrived in his everyday wear; a Religious Habit that is out of The middle ages, a Friar!

Donna could not stop asking about our ministry and invited the Friars to her home to a "SMALL GATHERING" she said. Fifteen members of our order arrived at her home and much to our surprise there were several other hundreds of guests as well. Ever since that chance meeting Donna has been one of our most treasured and most loved Benefactors.

Donna has; kept our food pantry open for the poor of Elizabeth, New Jersey

Sponsored our novices, enabling them to continue their college education for the Priesthood

Donated endless amount of furniture to our monasteries and God's poor

Helped to start and continue the G.E.D and E.S.L programs at our Provincial House

Through Donna's generosity the St. Rita's single mother program has assisted many young women to continue their education after GED and provide better job opportunities and security.

Donna's donations of clothing and toys provide warmth and happiness here in the United States and abroad.

As the Ecumenical Missionaries have the solemn vow of poverty, chastity and obedience we try to imitate Christ in his simplicity. Donna gives a new meaning to simplicity by providing a lavish feast during the holidays. We are then able to swing wide our doors and share our great meal with God's homeless.

Has kept our mission to God's poor warm in the winter months when there was no heat

She has kept her word, " Do the Lords Work but Do It Well"

The Ecumenical Missionaries will be Honoring Donna Goodale at our Provincial House to show our Love and appreciation of this Benevolent Soul. Although we do not share the same religion, we do share the same Faith, In the One True God. All our Friars love Donna Goodale and are Grateful to Our Heavenly Father for her presence in our lives.
